

## REQUIREMENTS FOR AI SIRE REGISTRATION

The following requirements apply to owners of registered bulls desiring to market semen that is intended for the production of registered calves or commercial Wagyu's.

In order to register an AI Sire with the Australian Wagyu Association Ltd please complete the following:

1. Have a licensed Veterinarian complete the attached Bull Soundness form for each AWA registered sire.
2. A DNA type case number is to be provided.
3. Scrotal circumference measurement must be supplied (cm)
4. For overseas sires, submit a three Generation pedigree and Registration Certificate from the respective Overseas Wagyu Association included.
5. Payment of the \$385 inc. gst for AI Sire Registration for animals in Australia & \$500 for bulls in other countries (for imported semen).
6. A hi res digital image that can be viewed on the AWA web site inquiry screen
7. the above information must be submitted to the AWA Council for approval.

NB. Bulls no longer need to have licensed semen, i.e. collected at a licensed centre in Australia.

Please note that only Members of the AWA may register AI Sires.
